

The background of the image is a green-toned illustration of a forest scene. It features various types of trees, including a large tree with a thick trunk and a smaller tree with a more delicate structure. A deer is visible in the lower left, and a unicorn is in the upper right. The overall style is reminiscent of a woodcut or a classic book illustration.

WHO IS BELLE?

Belle is the spirit of our bar; a Parisian soul with modern sass. She guides our decisions, from the lighting on a Saturday night to the kind of artists we put on stage.

She keeps us grounded in good taste, confident charm, and intentional fun.

Whenever we're making a decision, we ask...

"What would Belle want?"
